SUBJECT: Request for Assistance to GMA Kapuso Foundation on its effort of distributing backpacks with school supplies to incoming Grades 1

DATE: March 3, 2014

GMA Kapuso Foundation through Unang Hakbang Sa Kinabukasan (UKSK) Project has a yearly school opening activity for the incoming Grade 1 pupils from the poor and remote public elementary schools nationwide. The project aims to assist parents in enrolling their children to Grade I and inspire these young children to study and remain in school by providing them a complete set of school materials.

GMA Kapuso Foundation proposes to distribute backpacks with school supplies in selected DepED Divisions. They are requesting for the list of incoming Grade I duly signed by their parents.

It is in this regard that we would like to request your respective divisions to provide assistance to GMA Kapuso Foundation in the implementation of their project, from the selection and/or validation of schools, up to the actual implementation. The assistance that they offer will be a big help to our public schools that will be chosen. Their people on the ground will be communicating with your offices in the coming weeks. Attached is the communication that they sent for you reference.

Thank you very much.

Greetings from GITA Kinuse Foundation!

The GITA Kinuse Foundation is pleased to announce the 17th year of our Unang Hahang Sa Kinabutasan (UHSK) Project, a distribution of backpacks with school supplies to attending Grade 1 pupils from the most remote and underprivileged areas nationwide. The UHSK aims to assist poor parents in enrolling their children to Grade 1, and inspire their young children to study and learn in school having a complete set of school materials.

In this regard, we would like to request your assistance to help us endorse the project and to identify the UHSK PARTICIPANTS in the selected schools covering District 19, 20 and 21. The list of schools is attached herewith and will determine the number of pupils that will be provided with materials. It is requested that you provide your endorsement to GITA Kinuse Foundation ahead of time. We request that the list of schools be undertaken in the given schedule which is from March 2014 to May 2014, the end of classes. We know that the DepED completed an Early Learning Inventory (ELI) in 2014, but for the UHSK project, we would like to have your endorsement where parents of attending grade 1 pupils have duly signed.

We thank you for your support and will look forward to receiving your response. You are sending you the materials that would be required for our participation. For your immediate concerns and inquiries please contact our assigned Project Coordinator, Elizabeth Tumbales, through the contact number and follow up your response and inquiries. You may also contact us at info@kinusefoundation.org and www.kinusefoundation.org.

Thank you,
