SIR:

We take pleasure in informing you that the NCTE –PNUAA is holding this years' Homecoming on 27 April 2014 at the PNU Quadrangle, from 1:00 to 5:00 p.m. With the theme "PNU Alumni: Together for Yolanda Victims" this year's activity will be focused on helping teacher-victims and lone-pupil/student-survivors of the devastating typhoon.

In this connection, may we request for your assistance in encouraging PNS, PNC, and PNU Alumni among your officials, teachers and staff to attend this one-in-a-lifetime affair.

The success of this homecoming would depend on the attendance of all concerned through your unselfish support.

Attached is a sample advisory for your perusal and signature.

Thank you very much for your usual support and cooperation.

Very truly yours,

MARIO L. RAMIREZ
President
