Maám Mirla Olores Chief, SPED Bureau of Elementary Education Department of Education, Ortigas Ext., Pasig City

Dear Sir/Ma'am,

Warmest greetings from Resources for the Blind, Inc. (RBI).

Summer is fast approaching! In a few months, this school year will be ending and surely children all over the country would be thinking of where they would spend their summer vacation—at the beach, in a resort, or in Baguio City. But would blind children be able included in the activities that normal children do?

At RBI, we believe that blind kids have the right to enjoy life as much as the sighted do. That's why every summer we hold a one-of-a-kind camp for blind children coming from different parts of the country. What makes this camp special is that for five days, these kids experience what it's like to be normal. They get to join in activities they never thought they could, like academic contests, swimming, sports, games, talent presentations, and handicraft making. All our activities aim to help these children develop their physical, mental, emotional, social, and spiritual aspects of their lives.

We are currently preparing for this summer camp, and we want to invite all the blind students from different schools in all regions of our country to join in this wonderful event. The camp registration fee is P500.00 that will cover accommodation and food of the participants all throughout the camp. For further information, you may contact us at 726-3021-24 and look for Joyce Lopez. Or email at joyce@blind.org.ph.

In this connection, may we ask your help to issue us a DEPED memo for the said activity. Attached is the list of schools that have blind students that we would like to invite.

Thank you very much for your support.

Sincerely.

Executive Director
