Date: **April 22, 2014**

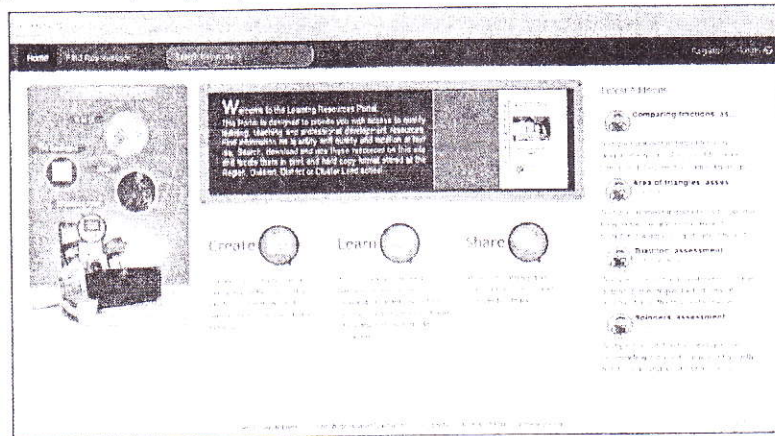

1. To support the implementation of the K to 12 Curriculum in Grades 3 and 9, the printing and delivery of Learner's Materials (LMs) for all learning areas in Grades 3 and 9 were bidded out last March 11 and January 20, 2014, respectively.
2. The Grade 3 contextualized LMs, however, are undergoing revisions and the layouts are being finalized to conform to the technical specifications indicated in the bidding documents. The Grade 9 LMs and TGs for English, Mathematics, Araling Panlipunan (Kasaysayan ng Daigdig), Music and Arts, and P.E. and Health are ongoing final revisions in preparation for the mass printing and deliveries that will start in May 2014.
3. To ensure that Grades 3 and 9 teachers will have access to the Curriculum Guides (CGs), Learner's Materials (LMs) and Teacher's Guides (TGs) before the opening of classes, the following measures were undertaken:
 - a. Digital copies of Grade 3 CGs, LMs (mother manuscripts for Quarters 1 to 4 and Quarter 1 of the LMs in the mother tongue appropriate to the regions and divisions), TGs, and SGs in preparation for the mass training of teachers will be provided to representatives of regions and divisions during the National Training of Trainers in April 2014.
 - b. Digital copies of Grade 9 LMs and TGs for all learning areas except Technology and Livelihood Education (TLE), which will be uploaded in the Learning Resource Management and Development System (LRMDS) portal, are also included in the abovementioned DVDs.
 - c. All Grades 3 & 9 teacher-participants in the mass training will be given a copy of the appropriate LM and/or TG for the learning area(s) he/she will teach in SY 2014-2015.
4. For Grades 3 and 9 teachers who do not have copies of the appropriate LMs and TGs, all Regional and Division Offices can provide them with digital copies of the LMs and TGs for Grade 3 (Quarters 1 to 4 of the mother manuscripts and Quarter 1 of the appropriate mother tongue) and Grade 9 (Quarters 1 to 4).
5. All Division Superintendents must ensure that all elementary schools are provided with a digital copy of the Grade 3 LMs and all secondary schools with the Grade 9 LMs and/or TGs.
6. Teachers may also download available LMs, TGs, and other instructional materials from the LRMDS portal. The procedure for registration at the LRMDS portal is enclosed for easy reference.
