Sir:

Greetings of peace!

The Teachers' Dignity Coalition (TDC) is a national teachers' organization formed in the Philippine Normal University (PNU) in 2006. The organization mandated itself to uphold the rights and welfare of teachers through various means such as education and information campaign, legislative advocacy, social dialogues and training programs, among others.

Recently, several issues of teachers and education sector have been tackled in various media as well as in informal discussions. The issues range from election-related matters, performance-based bonus and productivity enhancement incentives (PBB and PEI), new performance rating system to the most talked about topic- the salary increase proposals.

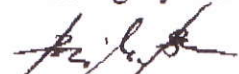

We find it necessary that these matters be discussed in a proper context and venue to provide the actual situation and information to our fellow teachers in the field. While we recognize the mainstream and even the social media as main sources of information at present, we still believe that an open discussion would still be the best forum for all the teachers to gather and impart information.

Thus, may we request to conduct series of forum-consultations in the different divisions within your region to inform the teachers of these issues. We are more than willing to extend our time and effort to reach out to the teachers.

For other details, your office may communicate with the undersigned at 09205740241 or at the TDC office at telephone number (02)4446564.

Thank you very much and we anticipate your most prompt and favorable response.

For the dignity of teaching profession,

**BENJO G. BASAS**  
National Chairperson
