Dear Dir. San Antonio:

The Technical Education and Skills Development Authority – Region IV-A in partnership with the Regional Technical Vocational Educators Association (RTVEA) will hold its TVET Congress with the theme “Strengthening TVET for ASEAN Integration 2015” on August 27, 2014, from 9:00 a.m. to 5:00 p.m. at the Tagaytay International Convention Center, Aguinaldo Highway, Tagaytay City, Cavite.

The Congress aims to strengthen and improve the effectiveness and relevance of TVET programs towards global competitiveness. It will also serve as a venue for a regional dialogue among the key players in the TVET sector on the latest developments and policy decisions that have direct impact on the delivery of training and education in the region. The participants in the Congress are the public and private TVIs, DepEd Officials and industry partners in the CALABARZON region.

Relative to this, we would be honored to have you as one of our guests along with your Division Superintendents in the region for the encounter with the TVIs who opt for the tech-voc track. There are 500 administrators and officials from the public and private institutions in Region IV-A attending the Congress. Our program focal, Ms. Vangie Plazo will closely coordinate with you. Our contact number is (02) 815-3553.

We earnestly hope that this request will merit your favorable consideration.

Thank you very much and warmest regards.

Very truly yours,

DR. ANTONIO M. DEL CARMEN
President, RTVEA
