DR. DIOSDADO M. SAN ANTONIO
 Director IV
 DepEd Region IV-A
 Cainta, Rizal

Dear Dr. Antonio:

Greetings of Peace and Unity!

Lorenzo Ruiz de Manila School (LRMS), a Catholic School for boys and girls from Preschool to High School located in Cainta, Rizal, has forged a formidable partnership with the country's premiere National Center for Teachers' Education, the Philippine Normal University (PNU), in offering fast-track master's program in education. This second semester, we will start the fast-track Masters Programs in Master of Arts in Education with Specialization in Mathematics and Master of Arts in Science Education with Specialization in General Science.

We have designed the programs to be more accessible, more convenient and more schedule-friendly to those who aspire to enhance their qualifications through graduate studies. We believe that these programs would help develop teachers and administrators to be more equipped, more competent and better prepared to face the new thrusts of our K-12 educational reform and to handle the changing profile of our learners.

In this regard, we would like to request from your good office an endorsement, from the Department of Education, of this Masters Program to various Public and Private Schools of Rizal.

Thank you and we look forward to a positive response on this matter

Very truly yours,
