Dr. Diosdado M. San Antonio
Regional Director
Department of Education – Region IV – A (CALABARZON)
Karangalan ES, Karangalan Village
Cainta, Rizal

Dear Dr. San Antonio:

Desirous of giving support in all the efforts of the Department of Education in providing professional advancement to educators, our office is set to conduct a three-day national seminar-workshop dubbed as *The Teaching of Mathematics in the K-12 Curriculum*.

Specifically, this 3-day seminar-workshop aims to:

- (1) give content updates on teaching Mathematics in the K-12 curriculum;
- (2) present framework and models that delineate the different factors of critical thinking skills and the different approaches to teaching problem-solving;
- (3) and help the participants to develop a plan for teaching Mathematics in accordance with the principles of experiential and situated learning, reflective learning, constructivism, cooperative learning, and discovery and inquiry-based learning.

Attached are the details of the program. We look forward to having you in this gathering of math teachers. More power!

To: SDSs
For your information
& appropriate action, please.
Thank you!
God Bless!
Joseph
