DR. DIOSDADO M. SAN ANTONIO
 Regional Director
 Department of Education-Region IV-A
 Karangalan Village, Cainta, Rizal

Dear Dr. San Antonio,

Greetings from the Department of Education (DepED) Central Office!

It has been almost a year since Super Typhoon Yolanda struck and devastated the Visayas Region. Although the super typhoon's effects are still being felt by the people, including our colleagues and learners, the affected regions are quickly getting back on their feet and the people are moving on with their lives. This is greatly due to the assistance from our partners, donors and the interventions done by DepED including the relief operations your region conducted last December.

We would like to extend our gratitude for the efforts of your region. I am sure that the beneficiaries of your relief operations appreciated your contributions. The tragedy has caused us all to come together and brought out the best in each one. May you continually do good to our brothers and sisters especially in their time of need.

Thank you very much. We wish you success!

Yours truly,

MARIO A. DERIQUITO
 Undersecretary
