

Dr. Diosdado San Antonio
Director
Department of Education
Region IV-A CALABARZON

November 3, 2014

Dear Dr. San Antonio:

Don Bosco College in collaboration with Pinoy Robot Games would host a forum to discuss Robotics Curriculum for K to 12. Pinoy Robot Games have been staging the National Robotics Contest in the past 6 years and developing STEM K to 12 Curriculum with robotics activities. The forum is an opportunity for practitioners to compare notes, share experiences, and draft a proposal.

We would like to invite schools from Region IV-A to participate in the "Forum: Robotics Curriculum for K to 12" on January 29, 2015 at Don Bosco College – Canlubang, Laguna. See the attached document for more information.

Thank you for your time and considering our request.

Sincerely,

Melvin R. Matulac

Forum: Robotics Curriculum for K to 12

Time: January 29, 2015 (9am – 12nn)

Venue: Don Bosco College, Canlubang Laguna

Robotics in the K12 is a medium of instruction to promote STEAM with different options for focus. Robotics open avenues of learning electronics, mechanics, physics, instrumentation or apply robotics to business, agriculture, home security, and many more.

The forum aims to bring together like-minded school administrators who are interested in robotics for the K12. Selected schools will present their experience. This is followed by a forum with resource persons from DEPED, TESDA, Universities, and Robotics Practitioners. The discussion will focus on questions relating robotics to STEM, technical skills, and implementation strategies.

Program Flow

8:30am – 9:00am	Registration
9:00am – 9:30am	School presentation of experience in implementing Robotics Curriculum.
9:30am – 10:00am	Demonstration of different robots and robot projects.
10:00am – 11:00am	Structured forum with resource persons.
11:00am – 12:00nn	Discussions and open forum.

Registration

Only 100 seats available. Register on or before January 15, 2015. Email your participation to info@pinoyrobotgames.org or call 661-8818 / 661-9383 / 722-0549. Prepare Php 200.00 per head for snacks and lunch.

Note: There will be an OPEN EXHIBITS for Teachers and Students from 1:00pm to 5:00pm.
