DIR. DIOSDADO M. SAN ANTONIO
Director IV
Office of the Regional Director
DEPED Region IV-A (CALABARZON)

Dear Dir. San Antonio:

We are pleased to announce the launching of the Calabarzon College Scholarship (CCS) Program Year Twelve. The CCS is one the most prestigious scholarship searches in the region. This year, we expect a total of 4000 students from 200 schools to participate in the program.

The CCS has been benefiting students from both public and private school all over Calabarzon. As of April 2014, 562 full scholars have already graduated from FAITH. Presently, we have 362 scholars enrolled at the Institute.

In this regard, we wish to seek your endorsement for the said program. We believe that through your support, we can invite more students and schools to participate in the program and thus take the opportunity of being awarded a full scholarship. At present, when very few can afford the cost of a college education, students should give importance to these kinds of opportunities.

The scholarship examinations will be held on November 8 and 15, 2014. We can also give the schools concerned their own exam schedule based on their preference from the months of August to October. The interviews for the qualified applicants will be conducted on December 6, 2014. All of these activities are on a Saturday to avoid conflict with classes and school activities. Enclosed is the flyer about our Scholarship programs.

We look forward to your positive response and we wish to thank you in advance for your support.

Very truly yours,

Mylen L. Aala
