Education Program Supervisor II

Dear **Sir**,

The Department of Agriculture TechGen is coming up with a Review of Accomplishment as part of the implementation of our Gulayan sa Paaralan Project (GPP) to be held in Oasis Resort and Hotel, Tanza, Cavite on December 8-9, 2014. This activity which will also be a good avenue for the Department of Agriculture and Department of Education personnel to meet in order to widen our perspective on the project, intends to update us on the status of the Program in the region. Similarly, we believe that this will be well-cut for the DepEd Division EPP/TLE Supervisors; hence, we are targeting them as our main participants. We encourage the participants to prepare a short presentation of their accomplishment as well as issues and concerns in project implementation.

Also, this will provide us opportunity to conduct planning for the upcoming years.

In this regard, we seek your most valuable assistance to help us encourage our target participants to partake and learn from this important activity. We will appreciate it much if you could attend, and extend to us the usual support you do in every project the Department of Agriculture undertakes. We believe that our success on this project will also be your success.

Thank you very much in anticipation of your generosity.

Sincerely,

Felix Joselito H. Noceda
Officer-In-Charge/
Regional GPP Focal Person
