OIC- Regional Director
DepEd CALABARZON
Gate 2, Karangalan Village
Cainta, Rizal

Subject: Request for Regional Memorandum/ Advisory

Dear Dr. San Antonio:

The Philippine Society of Youth Science Club (PSYSC) is a national organization devoted in promoting scientific interests and environmental and social awareness among our youth. On its 43rd year of existence, PSYSC keeps on providing quality and relevant event that caters to elementary and secondary education.

On December 16-19, 2014 PSYSC, in cooperation with DOST-CALABARZON will be conducting the 2014 National Children's Science Interactive Workshop (NCSIW 2014) in Villa Alfredo's Resort, San Fernando, Pampanga with the theme "ENGINIUM: Transforming the City of Zepherum". This year's NCSIW will focus on the fundamental principles, current trends and breakthroughs in the field of Engineering. NCSIW 2014 also aims to promote research and development among elementary students by exposing them to engineering as a field of study and a possible career path. Other events that will be included are series of lectures and workshops, field trips and other educational and fun-filled activities.

PSYSC believe that Engineering is a very important topic for the children because at an early age, they start asking how's and why's of things around them. As young as they are, PSYSC wants to help lay a good foundation in science by igniting their interest in a field such as engineering. Provided the right encouragement and tools, we hope for NCSIW 2014 to foster students' interest in engineering careers and motivate them to consider pursuing engineering degrees in the future.

In this regard, we would like to request for your full support in this worthwhile activity through the issuance of a Regional Memorandum/ Advisory which is to be disseminated to private and public schools in CALABARZON.

PSYSC is hoping for your positive response. Should you have questions, please do not hesitate to contact Philippine Society of Youth Science Clubs, Inc. through these numbers: Telefax: (02) 332-8151| Telephonc: (02) 263- 1358 or Email to mail@psysc.org.

Thank you for your sustained support in promoting Science and Technology as effective tools towards national progress and development in our region.

Very truly yours,

**WE MAKE SCIENCE
CLUBBING FUN.**

November 04, 2014

DR. ALEXANDER R. MADRIGAL
Regional Director
Department of Science and Technology Region IV-A

Dear Dr. Madrigal:

Greetings from the Science Clubbing Movement!

The **Philippine Society of Youth Science Clubs (PSYSC)** is a national organization devoted in promoting scientific interests and environmental and social awareness among our youth. On its 43rd year of existence, PSYSC keeps on providing quality and relevant events that caters to elementary and secondary education.

On December 16-19, 2014, we will be conducting the **2014 National Children's Science Interactive Workshop (NCSIW 2014)**, in Villa Alfredo's Resort, San Fernando, Pampanga with the theme **"ENGINEIUM: Transforming the City of Zepherus"**. This year's NCSIW will focus on the fundamental principles, current trends and breakthroughs in the field of Engineering. NCSIW 2014 also aims to promote research and development among elementary students by exposing them to engineering as a field of study and a possible career path. Other events that will be included are series of lectures and workshops, field trips and other educational and fun-filled activities.

We believe that Engineering is a very important topic for the children because at an early age, they start asking the how's and why's of things around them. As young as they are, we want to help by a good foundation in science by igniting their interest in a field such as engineering. Provided the right encouragement and tools, we hope for NCSIW 2014 to foster students' interest in engineering careers and motivate them to consider pursuing engineering degrees in the future. Hence, we request your kind office to support us in our endeavour to empower the youth in science and technology through disseminating this information through endorsements to schools in your region.

We are hoping for your positive response. Should you have questions, please do not hesitate to contact us through the numbers indicated below. Please allow us to follow up on this matter.

Thank you very much and more power!

In the Service of the Filipino Youth.

NISSI ABIGAIL BUENAOBRA
Director
NCSIW 2014

EGBERT M. AMONCIO
President
PSYSC National Executive Council
