NOTICE OF POSTPONEMENT

**The Twenty-First Century Education: Promoting the Learner-Focused Paradigm
February 27 to March 1, 2015 * Waterfront and Casino Hotel, Cebu City**

Dear Dr. San Antonio:

We regret to inform the public that we are **postponing to a later date** the international conference-workshop entitled "**The Twenty-First Century Education: Promoting the Learner-Focused Paradigm**" which was supposed be held from **February 27 to March 1, 2015** at the Waterfront and Casino Hotel in Cebu City.

After a series of deliberations, the GFF Board decided to reschedule the event because we are unable to meet the minimum number of participants. We have been preparing for this event since early last year but it is just unfortunate that our discussions with our partner institutions failed to produce the commitments that we needed in order to push through with the event.

We did attempt to come up with an alternative date but we thought that this would be too impractical at such short notice. Rest assured that we will inform the public of the new schedule as soon as possible.

Therefore, on behalf of the GFF Board, I would like to apologize for the postponement, especially to those who have already made travel and accommodation plans. Unfortunately, there were circumstances which were beyond our control but we are now preparing for an even better international conference in terms of schedule and attendance. We sincerely hope that you can still join us then.

Again, our deepest apologies and we hope the public would understand the action we have taken and we also hope that this unfortunate turn of events would not diminish your support to the other GFF activities.

If you have questions, please do not hesitate to contact **Ms. Annie C. Dematera** at (632) 0999-4577915/0937-3718344 or (632) 261-6741.

Thank you.

Dr. VIRGILIO U. MANZANO

UP Diliman Professor and

Conference Director, Guro Formation Forum
