MESSAGE

*It is once again time to mark the close of another school year. As we celebrate this year of successful academic pursuit for every learner in our schools, it is noteworthy to reflect on the theme “**Saktong Buhay: Sa De-kalidad na Edukasyon Pinanday**”.*

We all dream to attain a fulfilling life. Truly, relevant and high quality education is the best way to realize this dream.

Every graduate is worthy of our warmest congratulations and best wishes. They will hopefully continue with the quest to discover effective ways of becoming passionate lovers of our country through further learning pursuits.

The parents of these graduates who never count the costs and sacrifices in providing the needs of their children likewise deserve our salute. Yes, the loving parents always find ways to support their children.

Moreover, our partners in education - the LGU officials, NGO's and other good Samaritans-who are always ready to supplement our limited government resources in order to enhance the learning experiences of our youngsters merit our gratitude for supporting our thrusts.

Finally, the noblest of all professionals - our fellow teachers, the school administrators, supervisors and DepED executives-who have performed their professional duties with commitment and competence all have the right to be commended for a job well-done.

MABUHAY!
