Dear Sir:

This is to respectfully request for an endorsement for our Regional Seminar for Language Teachers, which will be held on April 30, May 1-2, 2015 at the Benedictine Sisters Conference Center Vigan, Ilocos Sur.

The seminar-workshop is open to language teachers, administrators, pre-service and in-service teachers and interested individuals. The theme is "Language Teaching in the Asean Integration: Challenges and Opportunities". Its objective is to provide a more engaging approach where language theories and their application and practice are academically and socially relevant and responsive to language learning across disciplines. The seminar-workshop covers the following topics:

Language Teaching in the Multicultural Setting
Building Basic Corpus Core-vocabulary for MTB/MLE
Content and Language Integrated Learning
Outcomes Based Education-Principles and Practices
Language Teaching-Strategies and Assessment
World and Asian Englishes

Early bird registration fee is four thousand pesos (Php4,000 until April 15, 2015 with accommodation and Php2500 without accommodation) inclusive of 3 days' meals, snacks and a day tour including the registration fee and certificate of participation. Registration fee from April 16- April 30 is five thousand pesos (Php5,000).

Attached are pertinent documents regarding the seminar for your reference.

I know this has come in such a short notice, hence, we sincerely apologize. We were actually expecting for a National Seminar advisory unfortunately we were recently advised that a national mass training for some public school teachers would likewise happen along these dates. Since all preparations have been set, a regional seminar endorsement might still be possible as an alternative to private schools teachers and some public school teachers who would want to use their time and resources wisely. Thank you and we hope for your approval.

Sincerely,
Raymond Peter Ibasco
Seminar Director, Language and Literature Department
