Dear Director San Antonio:

The symbolic cauldron that once marked the beginning of the Palaro season will be rekindled with fire once again as 17 regions all over the country come together for the 2015 Palarong Pambansa here in Mindanao Island on May 3-9, 2015.

We are very proud to say that the 58<sup>th</sup> Edition of this highly anticipated sports event of the country will be the first historical milestone for Davao del Norte Province as a Host-Province. For quite a long time, we have been gathering our strengths only to wait and seize this perfect opportunity to host the Palarong Pambansa.

As we are counting the remaining days to the much-awaited Opening, we also look forward to welcoming everyone to our beautiful province to experience our way of hosting the Palarong Pambansa.
