BARANGAY HEALTH STATION IN THE VICINITY

DATE : March 31, 2015

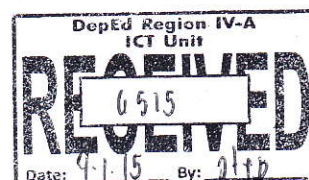

The Department of Health (DOH) is currently coordinating with the Department of Education on their catch up plans on the Universal Health Care Sustainability.

One of their plans is to put up a Barangay Health Station (BHS) with Tamang Serbisyong Kalusugang Pampamilya (Tsekap) services in all Barangay Schools without BHS.

In this light, may we request for the list of schools without BHS in their vicinity. Our data will be the basis of their planning.
