Dear Ms. Enguero,

ATRIEV or the Adaptive Technology for Rehabilitation, Integration and Empowerment of the visually Impaired, a non-government organization that pioneers in providing quality ICT training programs for the blind/visually impaired and for professionals working for persons with visual impairment, in partnership with the Information and Communications Technology Office (ICTO) through the eSociety and the National Competency Management (NCM) will conduct a 5-day Training of Special Education Teachers entitled "Basic ICT for SPED Teachers" with emphasis in using Android devices as a teaching tool. The said training will be held at the ADOC Laboratory, 2nd Floor, ICTO Building, UP Diliman Quezon City

The ICTO, being the government agency with the mandate on all policies and programs related to ICT, has defined the ICT Industry Development Program, which aims to among others, develop and implement a comprehensive program to ensure the sustained growth and competitiveness of ICT industry segments and firms; formulate and implement an integrated and comprehensive program to support the growth of the ICT industry in the regions; undertake the development of an industry-relevant curriculum in coordination with the industry, government and academe to enhance the competitiveness of the ICT workforce.

ICTO also implements policies and programs that promote the inclusion of all persons including Persons with Disabilities (PWDs) in using ICT as the bridge to the digital divide.

The Teacher Training will be conducted in two batches:

1. May 4 to 8, 2015, 8:00 AM to 5:00 PM and
2. May 11 to 15, 2015, 8:00 AM to 5:00 PM
3. registration fee (none)

In view of the partnership, ATRIEV will implement the Program of Instruction (POI) that is aligned with the standards set by the Competency Standards Group of the ICT Office-National Competency Management (NCM) group and as such all training participants will be evaluated based on the aforementioned competency standards.

All Special Education teachers, ALS teachers, and rehabilitation specialists working for and with the visually impaired are invited to participate in this pioneering training program.

Training participants who will be successful at completing the training will receive certificates that will bear the ICT Office and ATRIEV logos duly signed by their authorized representatives.

Please register with ATRIEV not later than April 29, 2015 to assure your slot in the training. Please accomplish the attached registration form and send to the following:

E-mail: [atrievorg@gmail.com](mailto:atrievorg@gmail.com)
