Dear Dr. San Antonio,

Greetings of peace!

The Philippine Public School Teachers Association (PPSTA) is conducting a massive information and membership campaign nationwide. This massive information and membership campaign is part of our program of reaching out to the public school teachers so that they will be trained in handling finances and at the same time updates them of the plans, program and activities of PPSTA.

In order for us to reach more members in your division, we would like to seek your permission and also your endorsement to all District Supervisors under your care and management to have a half day PPSTA Program with your teachers per district on official time for us to serve the teachers and our members better. Upon approval, we have tasked our PPSTA Roving Team to conduct the following;

1. Teacher's Welfare Training.
2. *PPSTA plans and programs presentation.*
3. Update the PPSTA members of their membership status.
4. Receive application forms for new members.
5. Process Instant Loan Applicants.

Kindly inform your teachers and non-teaching personnel who wish to apply PPSTA membership to bring the following requirements:

- *Two (2) 1x1 ID picture*
- *Two (2) valid IDs.*

For those wanting to avail of our PPSTA Saring Sikap Loan and "Instant Loan, Instant Membership" Program, a teacher must bring the following:

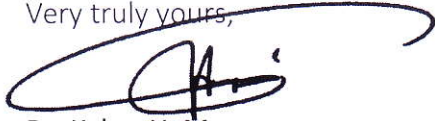

- *Two months consecutive original payslip (no undeducted obligations)*
- *1x1 ID picture*

- *Photocopy of comaker's latest payslip*
- *Two (2) valid IDs.*
