Dear Dr. San Antonio:

Greetings!

In line with the annual celebration of Children's Month every October in the country, the National Library of the Philippines (NLP) started conducting National Conference on Children's Librarianship since 2012 in cooperation with the Association of Librarians in the Public Sector (ALPS), Inc. This year, for the 4th time, we will hold the conference with the theme: "***Sustaining Children's Services in the Region through Improved Coherence and Integration***" on October 14-16, 2015 at Asturias Hotel, Puerto Princesa, Palawan. The conference has the following objectives: to check on the status of Philippine children's libraries and librarianship; to learn best practices on children's information services; to encourage networking/collaboration among and between children's libraries in the region.

In relation to and a way of fulfilling the stated objectives, we have invited speakers to share their expertise and introduce networking collaboration among and between children's information providers.

The conference fee is Php4,000.00 inclusive of am/pm snacks, lunches, kits and certificates. Payments may be made by cash or check payable to **Association of Librarians in the Public Sector (ALPS), Inc.; Banco De Oro (BDO) Account No. 4510878446**. We have attached the invitation for further reference.

In this regard, may we request your kind Office to issue an Advisory which may serve as an invitation to all schools in CALABARZON who are interested to join in this conference for their professional growth and advancement?

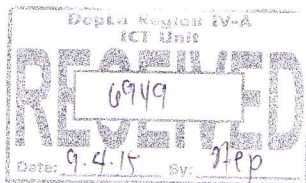

Thank you and your regard on this matter is deeply appreciated.

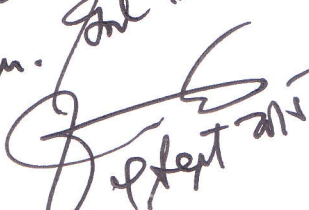

Sincerely yours,
