Dr. Diosdado M. San Antonio
Regional Director
Region IV

Dear Dr. San Antonio:

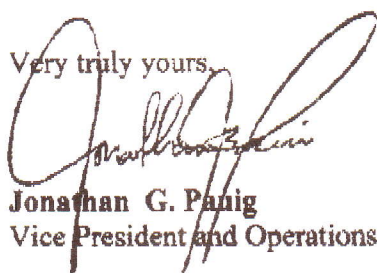

We are very happy to inform you that MaryLindbert Int'l and Century Pacific Food Inc. in partnership with the Department of Education recently launched the "Me and My Milk!" Comprehensive School Program.

The Me and My Milk! Comprehensive School Program is an advocacy that aims to further develop the pupils knowledge on how to be physically and mentally fit. It also aims to teach the pupils the importance of good health, proper nutrition, and the importance of drinking milk. The program will provide free workbooks for Kinder to Grade 2 pupils and teaching guides for the teachers and other free teaching materials. Milk feeding to select schools will also be conducted.

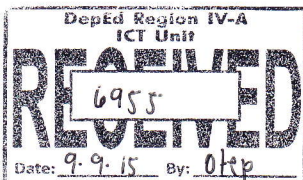

To share the concepts that the program advocates, we will hold School Visit Intervention to the select schools in the region. Informative skits on good health and proper nutrition and milk feeding and parent consultation on health and nutrition of their children will be conducted.

In line with the above mentioned activities, we would like to request your kind office to help us disseminate the information via a memorandum to all the Division Offices and schools concerned. Attached herewith are the schools included in the program.

We thank you in advance for your usual kind support.

Very truly yours,

Jonathan G. Panig
Vice President and Operations Manager
