Bayan Academy, together with the Department of Education, ABS-CBN Lingap Kapamilya, Knowledge Channel, and Rex Book Store formed a partnership for The Excellence in Educational Transformation Awards (EETA). The EETA is an annual award given by Bayan Academy to public and private schools offering elementary and secondary education nationwide. The EETA recognizes the innovative efforts of schools in transforming themselves into institutions that promote learning effectiveness and school efficiency while being true to their vision, mission, and values. The objectives of the EETA are as follows:

- To recognize excellence in the efforts of schools to innovate and achieve expected outcomes leading to improvements in the quality of their educational programs and offerings
- To pay tribute to schools that meet the expectations of their stakeholders (i.e.: the parents, teachers, community, and students)
- To document schools best practices in the pursuit of academic excellence and effective and efficient school administration, for replication and sharing with other institutions

The areas of innovation recognized by the EETA are as follows:

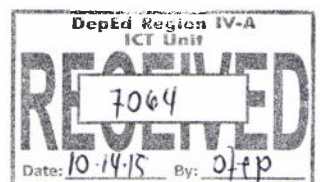

- Innovations in Quality of Education
- Innovations in Learning Environment
- Innovations in Access to Education
- Innovations in Leadership, Governance, and Management

With that, this office encourages all schools to participate in this search.

Attached in this memo are the prequalification forms for the search.

For further information, please contact Ms. Zaida Villanueva at (02) 920-3025 or via email at bayanacademy@gmail.com.

Thank you.

Part III. Summary of the Innovations/Educational Initiatives

The first page of the submission should cite or include the innovations and educational initiatives. The following pages should then discuss the transformation program or innovations developed and implemented by the applicant/nominee that have resulted in the dynamic transformation of learning environments and outcomes.

Please limit this part to one (1) page per innovation. This should answer the following:

1. What is the transformative program? Specify the area covered by the program.
2. How was it developed? (Aims and objectives, relevance and applicability.)
3. How was it implemented, monitored and evaluated?
4. What was the impact on the students/teachers/school/community/division/district? (Must show qualitative/ quantitative results which can serve as an additional attachments)
5. How is this related to the school's/organization's VMO?

You may also attach supporting documents demonstrating the results of the transformation program, (e.g., financial statements, awards, citations, etc.). Please attach at least five relevant pictures to your entry.

You may use additional paper if necessary.
