Dear Mr. San Antonio:

Warmest Greetings!

The Philippine Guidance and Counseling Association Laguna, one of the Chapters of PGCA National was revived last December 2014 and installed in our last PGCA Annual Conference in May 2015 at Far Eastern University.

The chapter will be sponsoring its Annual Outcome Based Conference in the Region with the theme: **"A Holistic Psychosocial Approach: The Proactive Roles of Guidance Counselors in Laguna"** on December 4, 2015 7:30 am to 4:30 pm at Colegio de San Juan de Letran Calamba. Our aim is to reach out to our counselor colleagues in the Region and to serve those who come to us for help.

In this connection, we would like to request a Memorandum from your office endorsing this undertaking for the participation of counselors particularly those in Region IV-A both in public and private institution and organizations.

Thank you very much.

Truly yours,
