REGIONAL MEMORANDUM

No. 01 s. 2016

2016 REGIONAL FINALS METROBANK-MTAP-DEPED MATH CHALLENGE

TO : ALL SCHOOLS DIVISION SUPERINTENDENTS

1. The Metrobank Foundation Inc. (MBFI), Mathematics Teachers Association of the Philippines (MTAP), and DepEd Region IV-A CALABARZON will hold the 2016 Regional Finals Metrobank-MTAP-DepEd Math Challenge on February 19, 2016 at Padre Valerio Malabanan School, Lipa City.
2. The overall objective of the competition is to contribute in improving the quality of Mathematics Education in the Philippines. Specifically it aims to:
 - a. awaken greater interest in Mathematics among elementary and high school learners in both public and private schools in the region;
 - b. encourage learners to strive for excellence in Mathematics;
 - c. discover mathematical talents among the learners;
 - d. develop the values of hard work, perseverance, honesty, teamwork, and sportsmanship; and
 - e. provide learners with opportunities in leadership and cooperative undertaking.
6. The host Division shall be in-charge of the preparation of the venue of the contest proper including the registration, contest officials, and the materials that will be used in the contest, such as score sheet (hard and soft copy), score board, computers, LCD/DLP, screen, (stop) watch, and scratch paper of the contestants.
7. The competition is open to Grade V and VI pupils and Grade 9 and Grade 10 students for individual and team category. Grade VI and Grade 10 qualifiers may participate/compete in the national level.
8. Participants to this activity are Education Program Supervisors in Mathematics, EPS in-charge of Private Schools and Division winners from Grades 5, 6, 9, and 10 who will represent the Division for Regional Finals
9. No registration fee shall be collected or charged to the participants.

Republic of the Philippines
DEPARTMENT OF EDUCATION
REGION IV-A CALABARZON
Gate 2, Karangalan Village, Cainta Rizal

10. Expenses for foods of the Technical Committee, honoraria of judges, certificates, and cash price will be shouldered by the regional office.
11. Travelling and other allowable expenses to be incurred by the participants shall be charged against local funds subject to the usual accounting and auditing procedure.
12. Teachers such as, officiating officials, coaches/trainers who will participate in this activity shall make necessary arrangements to ensure the non-interruption of classes during their attendance to this activity.
13. Enclosed are the guidelines and the assignment of the Education Program Supervisors.
14. Immediate and wide dissemination of this Memorandum is desired.

**2016 REGIONAL FINALS METROBANK-MTAP-DEPED MATH CHALLENGE
GUIDELINES**

Regional Finals:

• **Individual (Written) Competition: (Grades 5, 6, 9 and 10)**

All top placers in each division during the elimination round, for both Grades 5, 6, 9 and 10, provided they meet the hurdle rate of 25 points out of perfect score of 50. Note that qualifiers for National Competition are only Grade 6 and Grade 10.

• **Team (Oral) Competition: (Grades 5, 6, 9 and 10)**

All the first placers during the division finals, for both Grades 5, 6, 9 and 10, provided they meet the hurdle rate of 30 points out of a perfect score of 60. Note that qualifiers for National Competition are only Grade 6 and Grade 10.

Individual Competition: (Grades 5, 6, 9 and 10)

1. The Regional Finals for the Individual Competition is a written examination.
2. The test will consist of three types of questions:
Part I: Fifteen (15) questions worth 2 points each;
Part II: Five (5) questions worth 3 points each; and
Part III: Three (3) questions worth 5 points each for a total of 60 points.
3. For this competition, the contestants must use their code numbers given to them at the registration.
4. The Grades 5 and Grade 6 contestants will be given 1.5 hours to answer the test; the Grade 9 and 10 contestants 2 hours.
5. Partial credit will be given to answers in Part II and III.
6. There may be more than one corrector for the papers, but only one may correct either Part II or III for the sake of consistency in the giving of partial credit. Each paper must be counter-checked by a corrector of another part of the paper.
7. The top three individuals will be declared winners.

Team Competition: (Grades 5, 6, 9 and 10)

1. Each team will be provided with slips of paper for the answer to each question. Before the first question, they will write their team/individual identification on each slip.
2. There shall be 20 questions:
Ten (10) fifteen-seconds worth 2 points each,
Five (5) thirty-second question worth 3 points each, and
Five (5) one-minute questions worth 5 points each for a total of 60 points.
 - 2.1. The 15-second questions are to be answered mentally. There will be no writing anywhere, neither on paper, table etc. The team of two will work together as one to discuss their answer to the question. They may start discussing their solution after reading of the question.
 - 2.2. For the 30-second questions, scratch paper will be provided for each team. Contestants may begin solving as soon as they wish.
 - 2.3. For 1-minute questions, a copy of the questions will be provided for each team. Scratch paper will be provided.
3. The quizmaster will read each question twice, after he/she gives the **GO** signal. The timing starts when the quizmaster gives the **GO** signal.
4. Answer will be written on the official answer slips provided. As soon as the buzzer rings, everybody must stop writing.
5. Proctors will collect the answer slips give them back to the judges who classify them in to two sets: those with correct answers and those with wrong answers.
6. One of the judges will announce the teams with the correct answer. The scorers records the points obtained by each team for each correct answer.
7. Answers must be given indicating unit of measurement. However, if the unit of measurement is already given in the question, it need not be given in the answer.
8. The teams will be ranked according to their total score in the three parts to determine the winners.
9. In case of a tie among of the teams vying for the first three (3) places, a set of 3 questions will be given to break the tie, one from each category of questions. If the tie is not broken after the three questions, one tie-breaking question will be asked. The team who first gets the correct answer will be declared as winner.
10. The same Mechanics will be followed for the individual contest.

11. The following Schedule shall be followed:
