DR. DIOSDADO M. SAN ANTONIO

Director IV
Department of Education
Region IV-A CALABARZON
Cainta, Rizal

Sir:

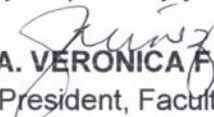

We would like to commend you and your good office for the issuance of Regional Memorandum instituting policies that would intensify the professional growth of teachers and personnel in DepeEd CALABARZON.

The new policy comes as sincere move from the administration to boost the morale of the teachers through equitable training opportunities; promote their professional welfare through faster item reclassification and thesis and dissertation leave grants; and motivate them to do better in the execution of their jobs through leadership opportunities.

On behalf of all teachers and personnel of Casimiro A. Ynares Sr. Memorial National High School we would like to thank you for instituting changes that truly recognize the hard work teachers put into their craft. You can be very assured that the entire CAYSMNHS family will support all your programs. Tayo! Tayo para sa Edukasyon.

Mabuhay po kayo!

Very respectfully yours,

MA. VERONICA F. NUÑEZ
President, Faculty Club
