7 March 2016

DIOSDADO M. SAN ANTONIO

Regional Director

Department of Education – CALABARZON

Cainta, Rizal

Dear Mr. San Antonio:

The **U.P. GURO: Mathematics and Science Teaching Society** is an academic organization with the aim to develop camaraderie, unity and excellence among Filipino youth, as they appreciate the teaching of Mathematics and Science. Since the establishment of U.P. GURO in 2005, the organization has been conducting activities for high school students to develop their leadership skills and broaden their knowledge in Science and Mathematics.

To: All SDSs
For your information and appropriate action.
Tux / GBU
3/8/16

This year, U.P. GURO will be conducting **Math and Science Summer Camp 2016 on April 23 (8AM) -24 (3PM), 2016 at Lopez Elementary School**, located at the **Lopez Ave., Los Baños, Laguna**, with the theme **Harnessing the Young, Innovative, and K to 12 Fueled Minds: Gearing towards Mathematics and Science**. The target participants for this event will be **Grade 8 and Grade 9** students from different secondary schools in **Laguna**.

The camp will include games and fun activities that promote experiential learning, where students will learn to appreciate the advancement of Mathematics and Science in the globe.

In line with this, we are humbly requesting for an endorsement from your office to help us publicize the event and invite schools to attend the summer camp.

Should you have any concerns, you could contact **Joel P. Caballero** through 0936-940-8746 and/or at upguro.mstsociety@yahoo.com.

Your approval for our request will mean a lot to our organization. Thank you!

Sincerely yours,

KARL GABRIELLE B. DE LOS SANTOS

Activity Head
