My Dear Educators,

The Education for All Development Centre, an affiliate of the International Learning Styles Centre which is based in the US and Scandinavia has recently launched its global education advocacy called, "**Beyond Curriculum. Lead, Teach & Learn**". Education for All is a duly registered entity (please see attached Certificate of Registration) with the government institution.

In essence, **Beyond Curriculum** is a clarion call to all educators *to teach, lead & learn beyond the curriculum* by educating the compassionate heart not just the thinking mind and nurture character and soft skills, not just academic skills.

In this regard, we are happy to invite you to attend the

An Executive Education Forum
for School Administrators, Deans, Department Heads and Education College Students
in the Context of K-12 and Career Enhancement and Matching
on **6th of August, 2016** from 8:00am– 4:00 pm at the **Francisco Balagtas Auditorium, Malayan**
Colleges Laguna, Cabuyao, Laguna.

Our lead facilitator is **Prof. Henry S. Tenedero**, the president of Education for All Development Center and prime mover of the **Beyond Curriculum** advocacy. (please see attached Biosketch)

Among the main topics Prof. Henry and his team will discuss are the following:

- Between hope and despair, education is the great equalizer
- Beyond the K-12 Program
- Building minds and touching hearts
- Valuing individual learning differences
- Intelligence is a many-splendor thing
- EQ can matter more than IQ
- Life Skills for Life Success
- Social marketing strategies for school success
- Ten skills for the future workforce
- Matching competencies with work
- Beyond Curriculum: Lead, Teach & Learn framework
