Dear DIR. SAN ANTONIO:

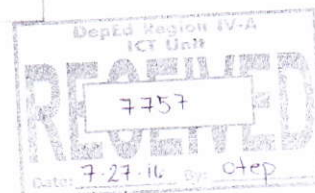

Good day Dir. San Antonio.

The Office of Civil Defense (OCD) IV-A has constantly observed the National Disaster Consciousness Month (NDCM) on the month of July every year. During the month, the community and other stakeholders are educated on disaster awareness and preparedness. A month-long campaign on disaster risk reduction and management (DRRM) is conducted to ensure that every Filipino citizen is aware of the various DRRM programs provided by the government.

For this year, RDRRMC IV-A would be having an **On-the-Spot Poster-Making and Essay Writing Contest for Elementary and High School Students** on **1 August, 09:00AM-01:00PM** at Monte Vista Resort and Conference, Brgy. Pansol, Calamba City, Laguna. These contests aim to ensure the active involvement of the youth in DRRM and test their understanding of Disaster Risk Reduction and Management and Climate Change Adaptation.

Essays and posters that would be made are in line with this year's NDCM 2016 theme: **"Kahandaan at Pagtugon sa Sa Sakuna, Tungkulin ng Bawat Isa"** Each province would have three (3) representatives for the Elementary and High School Division. Supplies (oil pastel, papers, pencils, pens, and other materials needed) and food would be provided by OCD 4A during the contest proper. Target participants for this year were as follows:

CATEGORY	ELEMENTARY (Grade 6)	HIGH SCHOOL (Third Year)
Essay Writing Contest	3 students per province	3 students per province
Poster-Making Contest	3 students per province	3 students per province

REGIONAL DISASTER RISK REDUCTION & MANAGEMENT COUNCIL IV-A

In order to make this contest possible, we would like to request your good office to assist us in gathering students to participate in the Essay Writing and Poster-Making Contest. Also, we also like to request the presence of three (3) teachers/coaches per province who would provide support and assistance to the students.

We will be happy to answer your questions and clarifications regarding this event at (049) 531.7266 and 531 7279 or via e-mail at ocd.rdrmc4a@yahoo.com.

Thank you very much. Your support would greatly help us ensure the success of the programmed activities for the NDCM launching.

Sincerely yours,

VICENTE F. TOMAZAR
