Mr. Diosdado M. San Antonio  
Director IV  
Deped Calabarzon

**Greetings from the Animation Council of the Philippines, Inc.!**

This 2016, we are celebrating our 10<sup>th</sup> anniversary of our flagship project called **ANIMAHENASYON**. It is an **annual** Filipino animation festival that features different animation works of both aspiring and professional animators in the country through a competition. Also part of the festival are the master classes/workshops, Talks & Forums shared by well known industry artists, illustrators, animators, producers, directors that are invited from the local sector or international companies through the support of our industry partners.

This year, **Animahenasyon** will be held AT **SAMSUNG HALL, SM AURA** : McKinley Parkway cor. 26<sup>th</sup> St., Bonifacio Global City, Bonifacio Global City, Taguig City from **November 22-24, 2016 Main event** and **Nov 25-26 - full animation films screenings at SDA bldg. College of St Benilde.**

Since the implementation of the K to 12 programs and the inclusion of Arts, design & animation within the curriculum of DEPED, its about time that the students & faculty be exposed in the latest knowledge, technology, trends & opportunities of the Animation, Game & Design Industry. ANIMAHENASYON is an event where well-known international & local speakers will share their knowledge & conduct workshops to the participants. Best of all, screenings of different animation films made by professionals & students will be shown – a good reference for aspiring creative individuals !

We would like to extend our ANIMAHENASYON event to all **DEPED schools especially those from high school a special event rate exclusive only for DEPED students and faculty.** This is not offered to the general public but exclusively for DEPED schools, faculty and students as our way of **AWARENESS CAMPAIGN AND EXPOSURE** of what the Animation & Creative industry is all about. We would appreciate that this offer would be sent or shared exclusively to all DEPED schools / high schools who will benefit from this offer.
