Dear Sir:

Greetings!

The Southeast Asia Training Provider for Professionals, Inc. would like to sponsor an International Seminar – Workshop on Best Practices in Teaching with the theme “*Transforming Teachers to Fit the 21st Century Generation*” on February 3-5, 2017. Basically the training aims to discuss with the participants the trends and techniques in teaching to meet the needs of the K to 12 learners and equip them with the knowledge and skills on effective teaching in the 21st century classroom setting, which we believe will further enhance teachers’ competencies in improving and strengthening classroom setting.

Registration fee is set at Php 3,700 for onsite registration and a discounted of 3,500 for early bird registrants. The fee is inclusive of certificates, training materials, foods, professional fees and honoraria of the resource speakers. Accommodation is not included in the registration.

I hope that this project merits your approval and endorsement to your kindergarten, elementary and secondary teachers and coordinators in your Division.

Attached herewith is the DepEd Advisory No. 274, s. 2016.

Hoping for your utmost support and approval.

God bless and more power!

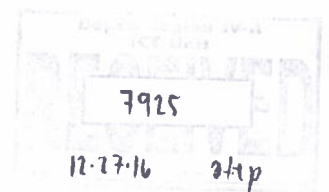

Truly yours,

CHIRADEE S. BORILLA
