Dear Dr. San Antonio,
 Blessed New Year in the Lord!

The **Mary Help of Christians Crusade (MHCC)** is a youth movement dedicated to the integration of Morals in Education for Public High School Students.

The Culminating activity of the MHCC for each school year is the **Believe Youth Conference**. Public high school students from all over Region IV-A CALABARZON travel to Lipa City, Batangas for the Annual youth gathering. It has such a great influence on the young people to help them cherish the value of life, education, family and faith, making them competent leaders for their respective schools. The **2-day** schedule includes inspirational talks, testimonies, group workshops, prayer, skit presentations, games and the daily celebration of the Holy Mass and the sacraments. The MHCC organizes the Believe 2017 free of charge in order to cater for the needs of the striving youth in Public High Schools.

It is with this letter that we once again humbly request an endorsement from your good office for the Believe 2017.
