The Asia-Pacific Network for International Education and Values Education, Philippines, aims to promote and develop international education and values education for peace, human rights, democracy, and sustainable development through networking and cooperation among individuals and institutions in the country.

On April 26 to 28, 2017, APNIEVE will hold its 16th Annual National Convention with the theme "In Pursuit of Quality Education, the Past, Present and Future" at the University of Northern Philippines, Barangay Tamag, Vigan City, Ilocos Sur. Conference strands will revolve around the leading-edge thinking about the quality of education, innovative approaches and practices that improve the quality of education, and the assessment, monitoring and evaluation of the quality of education, and the gaps where more research and efforts are needed to achieve inclusive and quality education by 2030.

The individual registration is P2,500 which covers the membership for one year (P1,000) and the conference fee (P1,500 for 3 lunches and 6 snacks, materials and use of facilities) for the duration of the convention, excluding accommodations. An optional half-day heritage tour costs P150 each.

Attached are the tentative program, call for papers and list of hotel accommodations in the area.
