Department of Education – Region IV-A  
Karangalan Village, Cainta, Rizal

**SUBJECT: Postponement of the MSPC Enrichment Program for Senior High School Mathematics on January 12-14, 2017 at the Polytechnic University of the Philippines (PUP) Mulanay Branch, Mulanay, Quezon**

Dear Dr. San Antonio,

Warm Greetings!

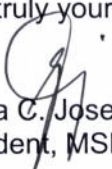

The Mathematical Society of the Philippines Calabarzon (MSPC) would like to thank your good office for the release of DepEd Advisory- 7859 for us to conduct a training workshop dubbed as the **MSPC Enrichment Program for Senior High School Mathematics** on January 12-14, 2017 at PUP Mulanay Branch, Mulanay, Quezon. The 3-day event is open to all mathematics teachers of public and private high schools within CALABARZON.

Unfortunately, due to Typhoon Nina that made landfall in Quezon, PUP Mulanay was heavily damaged. In connection with this, we would like to inform your good office of our intention to postpone the said training workshop on June 2017. We will also inform all concerned educators especially those who already confirmed their participation.

We will update and write you again for the exact date and venue of the proposed training workshop. For inquiries, concerned educators may contact Prof. Gilberto Olicia <+639088201567> or <0423197599> or <09238451561>. They can also send email to mspcsep@gmail.com.

Thank you very much and we are hoping for your positive action on our request.

Very truly yours,

  
Editha C. Jose, Ph. D.  
President, MSPC

*To: SDSs  
For your appropriate  
action please.  
Thank - God Bless!
