This has reference to the delivery of learning resources (LRs) to the field offices which are centrally procured by the Department of Education (DepEd). Please be informed that effective November 2016 onwards all learning resources (LRs) will be delivered directly to Division Offices (DOs). However, delivery of Grades 1, 5, and 7 LRs for SY 2017-2018 will still be delivered directly to the public schools districts and high schools nationwide.

Relative to the distribution of LRs from DOs to public elementary and high schools, the DepEd through the Bureau of Learning Resources (BLR) will provide subsidy of distribution funds through downloading of funds. In case the downloaded funds are not sufficient to cover all the expenses for the distribution of LRs, the DOs or the high schools may augment the funds using their own School MOOE. It is requested that the DOs will inform all recipient elementary and high schools in their division of the delivered LRs to ensure that materials will be distributed immediately to all learners and teachers.

We will be sending you summary of titles and quantities to be delivered for your reference in verification/validation and inspection of all deliveries.

Immediate dissemination of this information is desired. Thank you.
