Dear **Mr. San Antonio**:

Please be advised that LANDBANK will conduct system upgrade and maintenance activities from **10:30 pm of June 24, 2017 (Saturday) until 3:00 pm of June 25, 2017 (Sunday), Philippine Standard Time.**

During this period, **you will temporarily not be able to transact using your LANDBANK debit cards (ATM and Cash Cards). LANDBANK ATMs, Cash Deposit Machines, and other electronic banking channels, including iAccess, weAccess, and Mobile Banking Application will also be inaccessible.**

In line with this, we encourage you to please make the necessary arrangements with your branch of account beforehand, especially for payroll concerns, if affected. We would also like to recommend that you share this information with your concerned employees so they can withdraw funds or access their accounts ahead of the scheduled downtime.

Meanwhile, to serve withdrawal transactions, **selected LANDBANK Branches and Extension Offices (EOs) nationwide will be open from 8:30 am to 3:00 pm on June 25 (Sunday).** For a complete list of these branches and EOs, please visit www.landbank.com.

For any question or further assistance regarding this matter, please feel free to call me at 645-0251; 645-0261 or 238-4404.

We apologize for the inconvenience. This process is part of our compliance to the mandate of the Bangko Sentral ng Pilipinas to adopt the EMV technology, in order to make card-based transactions safer. Please bear with us as we work towards improving our systems to serve you better.

Thank you very much.

Sincerely Yours,
