Dear Director San Antonio:

My warmest greetings!

The Philippine Dental Association (PDA) is very pleased to inform you of the forthcoming **109th PDA Annual Convention** which will be held on May 6-11, 2018 at SMX Convention Center, MOA Seashell, Pasay City. This year's convention is particularly eventful as Philippines is the host of the 40th Asia Pacific Dental Congress (APDC), an international convention of dentists in the Asia-Pacific region under the Asia - Pacific Dental Federation and World Dental Federation or Federation Dentaire International (FDI). The PDA will host the congress simultaneously with our local annual convention.

This year's theme, "Driven for Excellence", manifests our desire as dental practitioners to always push ourselves to improve and be excellent clinicians to our patients. The convention is expected to draw more than 12,000 delegates as this is a local congress of international caliber, with world-renowned lecturers and innovations to improve our event.

In this regard, we are inviting All your dentist for Region 4A under your supervision to attend on Official Business. For this event, they will earn credit units for Continuing Professional Education (CPE) as mandated by RA 9484, In the Dental Law of the Philippines.

The following rates should apply:

Convention Fee +	Membership Fee	Total	Until
P 4,500.00	P 1,000.00	5,500.00	October 31, 2017
