DR. DIOSDADO M. SAN ANTONIO
Regional Director
Department of Education, Region IV-A CALABARZON
Cainta Elementary School, Cainta, Rizal

Dear Dr. D.M. San Antonio,

Greetings in the name of public service!

I am writing regarding the ongoing initiative of the Rizal Provincial Government to adapt an Information and Communications Technology (ICT) blended pedagogy in response to the Fourth Industrial Revolution (FIRE) entitled: ***“Digital Transformation of Rizal Province’s Educational Landscape”***.

As a seasoned academician and worker in the government such as yourself, I’m a strong believer of innovative and technology driven teaching and learning system and I’m very sure that we share the same, reason why I would like to ask your support about the above mentioned project.

Supporting this project means you are expected to assist/perform/observe the following;

- Issuing a formal letter of project endorsement to Local Government Units (LGUs),
- Releasing memo/announcements to Education units both in the public and private sector and other related agencies,
- Participation for meetings, events, conferences and other relevant activities in support of the mentioned initiative and,
- Involvement with various promotional related campaigns i.e. magazine/poster/newspaper photoshoots, radio and TV interviews and guesting.

Thank you very much and I hope for your favorable response about this humble request.

Very sincerely yours,

OLIVIA F. DE LEON Ed.D
Board Member, 2nd District of Rizal Province
Chairperson for Committee on Education and Culture
