**DR. DIOSDADO M. SAN ANTONIO**  
**Regional Director**  
**Department of Education (Region IV-A)**

Dear Sir/Ma'am:

The **UPLB Chemical Society**, a duly recognized academic organization celebrating its **55<sup>th</sup> Anniversary on January 2019**, will be sponsoring **KAPNAYAN**, a nationwide Chemistry fair, which will be held on **January 14-19, 2019** at the **University of the Philippines Los Baños**.

KAPNAYAN is a triennial, weeklong nationwide Chemistry fair consisting of activities geared for the participation of students from secondary high schools. **KAPNAYAN 2019** is going to be the Society's fifteenth Chemistry fair with the theme: **"Sustainable Development Through Advancements in Green Chemistry and Renewable Energy Technology"**. The fair aims to expose high school students on the range of opportunities in Green Chemistry and renewable energy technology, as well as its role in achieving a more sustainable development. The said event will feature different activities, which include **seminars, exhibits, audio-visual presentations, educational tours and nature trips, extemporaneous speech, essay-writing, investigatory projects, poster-making contests, photo contest, the Chemical Magic Show**, and the much anticipated **nationwide Chemistry Quiz Contest**. Moreover, the Society will also be conducting its **open tambayan, alumni homecoming, and thanksgiving mass** in celebration of its **55<sup>th</sup> founding anniversary** this 2019.

In this regard, we would like to ask for an endorsement or advisory that recommends **KAPNAYAN 2019** to both public and private secondary schools in your region. It will be highly appreciated if such advisory will also be issued for the information of DepEd officials and personnel.

You can contact us at +(63)966-452-4771, or email us at [kapnayan.chemsoc@gmail.com](mailto:kapnayan.chemsoc@gmail.com).

We are looking forward for you favorable response.

Respectfully yours,
