Dear Reg. Dir. San Antonio:

The University of the Philippines Law Center Institute of Human Rights (UP IHR) is an institution mandated to constantly push for the respect, protection, and promotion of human rights in all its aspects.

The UP IHR invites you to a book launch on 20 February 2018, 10:00 a.m. to 12:00 nn, at the First Floor Lecture Room, Bocobo Hall, U.P. Law Center, Diliman, Quezon City, for two of its publications on human rights and justice: **Shedding Light on the Long Shadow of Bullying**, and **Toward Better Enforcement of the Decisions of the United Nations and Other International and Regional Human Rights Bodies**.

This book launch will be held on the 20th of February which is celebrated as the World Day of Social Justice.

Both of the books to be published in this event tackle pressing issues brought about by current events. **Shedding Light on the Long Shadow of Bullying** authored by IHR Law Reform Specialist, Atty. Raymond Baguilat provides a conceptual analysis of the perplexing phenomenon of bullying and a presentation of the Philippines' legal framework covering it. Meanwhile, **Toward Better Enforcement of the Decisions of the United Nations and Other International and Regional Human Rights Bodies** studies the present difficulties in enforcing treaties and other sources of international law in the country as well as a presentation of human rights legal mechanisms and possible ASEAN legal mechanisms to improve upon such systems. This publication is authored by the undersigned and by IHR Law Reform Specialist, Atty. Daniel D. Lising, MD.
