

**JUNIOR PHILIPPINE INSTITUTE OF ACCOUNTANTS
COLLEGE OF ACCOUNTANCY
ST. ANNE COLLEGE LUCENA, INC.**

ABM CUP 3

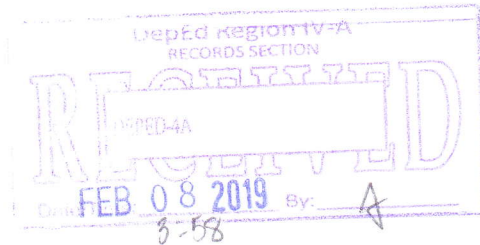

February 1, 2019

DIOSDADO M. SAN ANTONIO

Regional Director – IV (Calabarzon)
Department of Education
Karangalan ES, Karangalan Village
Cainta, Rizal

Respected Sir:

Greetings of Peace and Glory to God!

As part of providing our students with a strong foundation of knowledge and skills regarding accounting standards and techniques to meet the educational requirements of professional accounting examinations and obtain meaningful employment and have successful careers, the Junior Philippine Institute of Accountants – St. Anne College of the Pacific Chapter will be hosting its 3rd Accountancy, Business and Management (ABM) Cup 2019, on March 8, 2019. It is an annual academic event of the Chapter which will be participated by different schools, colleges and universities in Region 4-A. It is an event open to all Accountancy, Business and Management (ABM) Grade 11 Senior High students involving academic activities and seminar.

In line with this, the Chapter, with guidance from Department of Accountancy of the School of Business Accountancy and Technology and approval by the Institution, is inviting public and private schools to participate on our endeavor and test their intellectual skills by joining the friendly competition among other schools in the Region. One of the objectives of the Chapter is to encourage ABM Senior High students to pursue the course of Accountancy once they graduated and discover the vast opportunities waiting for them.

We greatly appreciate your contribution to our event and look forward to your favorable consideration on this matter.

Respectfully yours,

ROJOHN M. VALENZUELA, CPA, MBA
Program Chair, Accountancy
