Dear **Dr. San Antonio**:

This is with reference to our first communication dated 30 January 2019 regarding the **Youth Science Award (YSA)** of the Los Baños Science Community Foundation, Inc. (LBSCFI), a science community established by the Department of Science and Technology which fosters the spirit of sharing of resources and expertise among research agencies in Los Baños, Laguna. As a second call, we would like to invite exemplary entries from your institution to the said award.

The goal of the YSA is to recognize the efforts of high school students who engage their interest in Science and Technology (S&T), and motivate them to use S&T in their award-winning innovations.

As earlier advised, the guidelines and flyer can also be downloaded from our website www.pcaarrd.dost.gov.ph and <http://www.lbscfi.org/about-us.html>. Kindly help us disseminate the invitation to your member high schools for awareness of potential applicants.

The deadline for the submission of entries is on or before **May 31, 2019**.

Thank you very much.

Very truly yours,

EDWIN C. VILLAR
Chairperson, LBSCFI R&D Awards Committee
and Acting Deputy Executive Director, PCAARRD
