Regional Memorandum

SUBMISSION OF THE ADJUSTED EMERGING TECHNICAL ASSISTANCE PLAN IN THE BETTER NORMAL

To SCHOOLS DIVISION SUPERINTENDENTS

1) Technical assistance and coaching are similarly defined as a form of professional support provided towards assisting others to be effective in their functions and/or achieving set goals. Although, TA has a wider scope of interventions, coaching is more of a relational type of support. Coaching can be a short term interactive and collaborative learning modality through which the coach assists the coachee to achieve specific professional goals and improve performance.

2) Relative to this, kindly prepare and submit on or before September 3, 2020 at fta.calabarzon@deped.gov.ph an adjusted emerging technical assistance plan in the better normal. Use the template attached herewith.

3) This endeavor ensures the effective implementation of the technical assistance and addresses potential issues and concerns towards readiness of all schools division offices and schools. Further, it seeks to facilitate broad-based TA delivery opportunities to the schools to ensure the effective implementation of the PIVOT LCP for the improvement of learning outcomes.

3) For inquiries and technical assistance you may call Mr. Michael Girard R. Alba, Chief Education Supervisor of Field Technical Assistance Division at 09178888853 or by accomplishing this form https://tinyurl.com/TAcoachingform.

4) Immediate dissemination and compliance of this Memorandum is highly desired.
