REGIONAL TRAINING OF ALS IMPLEMENTERS ON FACILITATING BLENDED LEARNING EXPERIENCES

To Schools Division Superintendents

2. This training aims to upskill virtual facilitation and online learning management competence of the ALS Implementers for effective and appropriate blended teacher training program.

   Specifically, after this training, participants will be able to:
   a. Understand the basics of learning experience design, and what it means for facilitation;
   b. Identify the design principles of good online teacher training;
   c. Know the best practices and challenges about online facilitation;
   d. Adopt content and session guides to fit the context of learners and facilitation
   e. Give importance to empathizing with learner’s experience; and
   f. Feel confident in using technology platforms for online facilitation.

3. Participants to this activity are the Division ALS Focal Persons, Education Program Specialists for ALS, District ALS Coordinators (DALSCs) and Mobile Teachers. Attached is the breakdown of participants per School Division Office (SDO). They are advised to register to this link https://tinyurl.com/R4A-ALSLifeSkillsTraining.
