MEMORANDUM

20 November 2020

For: **Malcolm S. Garma**
Regional Director, DepEd NCR

Wilfredo E. Cabral
Regional Director, DepEd RO IV-A

Ma. Gemma M. Ledesma
Regional Director, DepEd RO VI

Mohager M. Iqbal
Education Minister, BARMM

Subject: **ENDORSEMENT OF THE WASH IN SCHOOLS (WINS)
MASSIVE OPEN ONLINE COURSE (MOOC) – PILOTING
COURSE MANAGEMENT AT THE REGIONAL LEVEL**

1. As part of the Department of Education's response for COVID-19 capacity building, the Bureau of Learner Support-School Health Division (BLSS-SHD) under the Office of the Undersecretary for Administration (OUA) supports the implementation of Water, Sanitation, and Hygiene (WASH) in Schools (WinS) Massive Open Online Courses (MOOC).
2. Under the current pandemic, improvement on WinS at the school level is a requirement to meet the minimum health standards and ensure that proper hygiene can be practiced by learners and DepEd personnel in the current situation (e.g., parents picking up modules in schools) and also once schools prepare for re-opening at some point in the future (DepEd Order No. 014 s. 2020). Hence, digital training solution is a feasible approach to reach target audience at scale, and the WinS MOOC can be utilized in this context.

3. The two WinS MOOC courses are in the process of technical transfer to DepEd and as a recommended way forward of BLSS-SHD, the courses will be offered to selected regions for the piloting of course management at the Regional level in view of the following course assessment results:
 - a. The Leading WinS MOOC for school heads and teachers, and Accelerating Wins MOOC for Division officers received very positive feedback from learners based on the evaluation of the pilot run participated in by about 1,000 enrollees. From a scale of 1 to 5, with 5 being the highest, the overall rating of Leading and Accelerating WinS were 4.81 and 4.58, respectively.
 - b. The WinS MOOC was found to have a positive impact on the WASH status of schools that participated in the online course as indicated by significantly higher percentage of schools reaching the minimum standards (crucial indicators) compared to schools that did not participate.
4. Hence, this Office endorses the piloting of regional course management of the WinS MOOCs in the following regions as recommended by the BLSS-SHD:
 - NCR
 - Region IV-A
 - Region VI
 - BARMM
5. The aforementioned Piloting of the Regional Course Management will have two (2) activities, with the following details:
 - 5.1 Online Capacity Development Workshop
 - The workshop aims to familiarize course managers from the region on the use of Moodle platform (DepEd LMS) and in navigating the courses, and course management elements.
 - The workshop will be conducted online and the schedule is to be announced. Use of laptop or desktop computer is recommended to be used for this purpose. Further information and arrangement will be communicated to respective regions.
 - Each participating Region is given four (4) slots. The Regional Office has the prerogative in the selection of participants it deems necessary in the management of the courses, but shall include the Regional WinS coordinator.

5.2 Regional Management Course Run

The WinS online courses will run simultaneously in participating regions and will be managed by the trained Regional Course Managers, under the supervision of BLSS-SHD and GIZ personnel:

WinS MOOC	Target Participants	Schedule of Course Run (Tentative)
Accelerating WinS <ul style="list-style-type: none">- Division-level WinS MOOC that aims to help Division personnel organize, understand their Division-wide data and plan for technical assistance on WinS program management to schools	<ul style="list-style-type: none">- member of the Division WinS TWG (priority criteria)- division supervisor and/or health personnel tasked to manage the WinS program in the SDO and plays an important role in providing technical assistance to schools on WinS implementation	18 January to 12 February 2021
