DepEd Task Force COVID-19
MEMORANDUM No. 382
30 April 2021

For: **Regional Directors and BARMM Education Minister
Schools Division Superintendents**

Subject: **CALL FOR VACCINATION CHAMPIONS AMONG
SCHOOL HEALTH PERSONNEL TO SUPPORT IN
DEPED'S CAMPAIGN**

The Department of Education (DepEd), through the concerned offices who are part of the DepEd Task Force COVID-19 (DTFC) led by the Public Affairs Service (PAS), is set to launch a campaign to promote informed choices among DepEd stakeholders, primarily teachers, regarding the government's vaccination program.

The role that the medical and other health professionals will play in the dissemination of correct information about the program cannot be further underscored. In this regard, school health personnel have been identified as among those who will play an important role in the roll-out of the campaign.

In this regard, the DTFC, through the Bureau of Learner Support Services-School Health Division (BLSS-SHD), in coordination with PAS, requests the Regional Offices (ROs) to submit recommendations of school health personnel who may be tapped by the DTFC for the implementation of the campaign, particularly in the conduct of health education and promotion activities such as regional webinars, educational videos, and infographics.

The preferred qualifications of the said school health personnel are as follows:

1. Have been vaccinated;
2. Can confidently speak about COVID-19 vaccination and the benefits of participating in the program, preferably in front of a camera (those who have previous experience of vlogging, appearing on interviews, delivering online lectures are highly preferred); and
3. Willing to be photographed or video-recorded and to give permission to the DTFC to disseminate such photographs and videos in support of the campaign.

ROs are requested to identify qualified school health personnel and facilitate the necessary coordination with them and their supervisors and respective heads of offices regarding this concern. One to two qualified health personnel may be identified per Schools Division Office, although it is not required for every SDO to have an identified representative.

ROs are further requested to submit the list of confirmed personnel and their contact information, using the attached template (Annex 1), to the BLSS-SHD on or before May 4, 2021, through email at medical.nursing@deped.gov.ph, CC: blss.shd@deped.gov.ph.

It is clarified that submission of recommendations will not mean automatic involvement in the campaign's health education and promotion activities. The BLSS-SHD, in coordination with PAS and other concerned DTFC offices, will further screen recommendations and contact the concerned health personnel separately.

For further details, Dr. Maria Corazon C. Dumlao, Chief, BLSS-SHD, may be contacted at (02) 8632-9935 or through the e-mail addresses above.
