Subject: DEFAULT SPOTLIGHT PAGE FOR ALL DEPED-ISSUED DEVICES

To maximize the potential of issued devices in communicating official messages from the Department of Education (DepEd), the Office of the Undersecretary for Administration (OUA) hereby instructs all Information Technology (IT) Officers and Information and Communications Technology (ICT) Coordinators to set up the said devices to automatically start up the spotlighted page of DepEd’s website (https://www.deped.gov.ph/spotlight/).

The said page will automatically play videos that the Public Affairs Service (PAS) would like to feature. This will prioritize in particular messages from the Secretary. This page will be updated on a weekly basis depending on the theme for the said week. In cases where there are no specific messages coming from the PAS, the spotlight page will feature a DepEd TV lecture that is appropriate to the lessons mandated in the school calendar.

All existing and future devices issued by DepEd with access to the internet (e.g., computers, laptops and televisions) shall be enabled to automatically open the spotlighted webpage. This mechanism shall allow the automatic delivery of the Secretary’s weekly messages to all personnel and learners who have access to the said devices.

For more information, questions and concerns on the abovementioned subject, kindly contact the Information and Communications Technology Service-User Support Division (ICTS-USD) through email at icts.usd@deped.gov.ph.

For strict compliance.

ALAIN DEL B. PASCUA
Undersecretary
