2. In order to select competitive student athletes to compose the Philippine delegation for the said international event, the Bureau of Learner Support Services - Schools Sports Division (BLSS-SSD) will conduct the **National Invitational Sports Competition** to selected Regions recognized by the Department of Education based on the results of the 2019 Palarong Pambansa for the seven (7) sports events namely Athletics, Badminton, Basketball, Sepaktakraw, Swimming, Table Tennis and Volleyball.
3. Schools Division Offices thru the designated Division Sports Officers are advised to conduct the selection process to student athletes enrolled in Secondary and Senior High Schools with ages ranging from 18 years old and below. 4. Only those expected to meet the qualifying standards in swimming and track and field based on the 2019 Palarong Pambansa results as provided by the Secretariat will be considered in the Division search to save resources.
5. The selection of student athletes for team events is inevitable due to various reasons brought about by the pandemic of COVID-19 which rendered them inactive for the past years, their availability in school and age requirements, hence the need for Division search and Regional level competitions.
6. Division Sports Officers are advised to submit their recommendations to be part of the discussion in the scheduled face to face meeting, the date and venue to be determined.
