Regional Memorandum
No.117 s.2023

**2022 DEWORMING ACCOMPLISHMENT OF
DEPED CALABARZON**

To: **Schools Division Superintendents**

1. In reference to RM 199 s. 2022, and collated reports from the 23 Schools Division Offices, Deworming Accomplishment for January to March 2022 (2nd round) is 16.28%, and for July to September 2022 (1st round) is 21.15%. This slightly improved from the 2021 deworming accomplishment but remains below the 85% target.
2. As stipulated in the issuance as mentioned above, the following are reiterated:
 - a. Schools with face-to-face classes should conduct deworming.
 - b. For those who are on modular or online learning, deworming tablets can be distributed with the modules or on an agreed date and means of verification (pictures, etc.) secured after proper orientation of parent/guardian.
 - c. Exhaust all means to ensure the target learners are dewormed and adequately reported.
 - d. Deworming drugs and paraphernalia procurement should be devolved to the Local Government Unit by 2023, and intensified coordination through the Local Health Board should be made.
3. Furthermore, to fit the new school calendar, the reporting of deworming accomplishments is adjusted as follows:
