**Department of Education**  
REGION IV-A CALABARZON

28 March 2023

**Unnumbered Memorandum**

**VIRTUAL CONSULTATION MEETING WITH SCHOOLS  
ADOPTING TRIPLE SHIFTING OF CLASSES FOR  
SY 2022-2023**

To **Schools Division Superintendents**

Schools Division Offices of Antipolo City, Cavite Province, Dasmariñas City, General Trias City, Quezon Province, Rizal Province and Sta. Rosa City

1. With the region's rapidly rising population and school-aged children due to a variety of factors, the Department of Education Region IV-A remains the largest region in terms of enrollment at 3.97 million (formal and non-formal education) in school year 2022-2023. These students are served by 6,031 schools and 2,150 CLCs.
2. Given the figures, one of the region's key concerns, particularly in public schools, is providing learners with adequate access to basic education resources such as, but not limited to, teachers and classrooms at an ideal and standard ratio.
3. In response, the region is currently conceptualizing for a long-term solution which may include the possible institutionalization of the blended learning modality as defined in DO 34, s. 2022.
4. In view of this, the region through the Policy, Planning and Research Division will conduct a virtual consultation meeting with public schools employing triple shifting of classes for SY 2022-2023 on March 30, 2023, at 9:00 am.
5. The main objectives of this activity are to consult the public school heads on the operationalization of triple shifting classes and application of blended learning schemes in learner-congested schools.
6. Attendees in this virtual consultation are the school heads of the identified schools in Enclosure 1-List of Public Schools employing triple shifting in SY 2022-2023 based on the *Weekly Report on Modality and Shifting Strategies per OUGFO No. 2022-02-0282* submitted to the regional office. Division Planning Officers are also advised to attend this consultation.
